

Step into Digital with BSL Interpreters

This course is suitable for beginner students in IT and students who would like to build confidence and skills in using digital devices such as a mobile phone, tablet or laptop.

You will learn digital skills to use in everyday life including accessing online services and learning, basic searching on the internet, e-safety, entering text, using apps, using email and communicating online.

You will also gain knowledge on Zoom and Canvas, our virtual learning environment.

Upon completion of this course, you will progress onto an accredited Essential Digital Skills course which is recognised by employers across Manchester

As the UK's largest training provider, WEA want to support you to gain the digital skills needed for everyday life.

Two sessions per week for 10 weeks
Tuesdays & Wednesdays 10:00 -15:00
starting 28th June 2022

FREE If you are unemployed, in receipt of certain income related benefits or earn less than £19.5K annually

Where: Manchester Deaf Centre

Qualification: Non-accredited – you will receive a certificate of achievement on completion
